

HP ENVY x360 13 Convertible PC

Limitless creation, from anywhere

Ready whenever inspiration strikes. Bring true-to-life, vibrant visuals to your screen anywhere, anytime with this versatile, convertible PC with up to [TBD] hours of battery life¹. Simultaneously use the touch and pen input to capture every detail of your sketches and rest easy knowing your creations are under wraps until you're ready to share them.

■ Nightfall Black

High Performance

Edge-to-Edge Display

Privacy

The power to bring your creations to life

With the latest multi-core AMD Ryzen 4000 Series Processor² with Radeon Graphics and a battery life of up to [TBD] hours¹, you get the performance needed to keep up with your imagination. Featuring up to 1TB PCIe SSD storage³ and HP Command Center so you can customize performance to meet all your photo and editing needs.

Thoughtfully designed

Designed for creators. Watch your ideas come to life in vibrant, accurate colour with the 4-way, FHD micro-edge touch display⁴. The 360 degree hinge adapts so you can use touch and pen input at the same time to capture every intricate sketch with complete precision.

Privacy for your peace of mind

Keep it confidential. Use the unhackable camera shutter to ensure your privacy and the dedicated microphone mute button to keep your conversations private.

¹Windows 10/ MM14 battery life will vary depending on various factors including product model, configuration, loaded applications, features, use, wireless functionality, and power management settings. The maximum capacity of the battery will naturally decrease with time and usage. See hpco.com for additional details. ²Multi-core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. AMD's numbering is not a measurement of clock speed. ³For hard drives, GB = 1 billion bytes. TB = 1 trillion bytes. Actual formatted capacity is less. Up to 35GB of system disk is reserved for system recovery software. ⁴Full high-definition (FHD) content required to view FHD images.

Features

Windows 10 (with Windows Hello)

Do great things confidently with the familiar feel of Windows¹ – only better. Be more secure, more productive, and get more personal with preinstalled features and enhancements like Windows Hello and Cortana.²

AMD Ryzen 4000 Series Processor

Tap into truly impressive notebook performance. A revolutionary new architecture with amazing battery life that delivers exceptional multi-threaded processing and Vega graphics for intensive multimedia tasks.³

Micro-edge display with edge-to-edge keyboard

This beautifully efficient design couples an ultra-thin bezel with an edge-to-edge keyboard, maximizing display and keyboard area.

360-degree design

Innovatively engineered to rotate 360 degrees so that you can use your device in four positions. Work in laptop position, watch in reverse position, play in tent position, and go in tablet position.

HP Wide Vision HD Camera

The 88-degree, wide-angle field of view lets you video chat with the entire family or group of friends in crystal clear detail.⁵

HP Fast Charge (50% in 30 mins)

Power down your device and go from 0 to 50% charge in approximately 30 minutes.⁴

Fingerprint reader

Seamlessly log in into your device with the touch of your finger. Patented 3-D fingerprint technology ensures secure access and online payments.⁸

HP BIOS Recovery solution

Get peace of mind knowing your PC BIOS is protected. HP BIOS Recovery automatically checks its health and recovers itself.⁷

HP Rechargeable MPP2.0 Tilt Pen

Create naturally with no interruptions. Improved latency and greater sensitivity allow you smoothly transition between colours for finer details while you write, draw and edit on any of your devices.

FHD touch

Intuitive touchscreen technology lets you control your PC right from the screen. And the vibrant 1980 x 1080 resolution delivers 2 million pixels for Full High Definition visuals.⁶

BANG & OLUFSEN

HP Dual Speakers with Bang & Olufsen, Audio Boost

With HP Dual Speakers, HP Audio Boost, and custom tuning by the experts at Bang & Olufsen, entertainment comes to life with sound you can feel. Awaken your senses with PC audio perfection.

HP Command Center

This simple utility puts you in control, allowing you to optimize and customize performance, fan speed and noise, and external temperature—all to meet your needs.

¹ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See [microsoft.com](https://www.microsoft.com). ² Some features including voice supported Cortana, inking, and Continuum require more advanced hardware. See [windows.com](https://www.windows.com). Apps sold separately. ³ Multi-core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. AMD's numbering is not a measurement of clock speed. ⁴ Recharges your battery up to 50% within 30 minutes when the system is off (using "shut down" command). Recommended for use with the HP adapter provided with the laptop, not recommended with a smaller capacity battery charger. After charging has reached 50% capacity, charging speed will return to normal speed. Charging time may vary +/-10% due to System tolerance. Available on select HP Spectre 2-in-1 and HP x2 PC models. See store.hp.com for a full list of product features. ⁵ Features may require software or other 3rd party applications to provide the described functionality. ⁶ Full high-definition (FHD) content is required to view FHD images. ⁷ HP BIOS Protection works with Windows 10 that ships with your PC. ⁸ Internet service required and not included.
