## LOGITECH RALLY BAR **ALL-IN-ONE VIDEO BAR FOR MEDIUM ROOMS**

Rally Bar delivers a powerful all-in-one video conferencing experience, featuring brilliant optics, automated PTZ, and high performance audio for midsize meeting rooms. With Rally Bar, video meetings can be just as natural and productive as face-to-face collaboration.

### **LOGITECH RALLY BAR**

Logitech Rally Bar sets a new standard for video meetings in midsize rooms, with expansion options for larger groups and settings.

It's remarkably simple to use, manage, and deploy at scale, delivering cinema-quality video and audio in a sleek, all-in-one form factor. Plug and play Rally Bar with any PC or Mac, or leverage the built-in compute to run video conferencing applications directly on the device.

Rally Bar features a multi-element lens assembly, powerful low distortion speakers, and an advanced mic system to create meeting experiences that sound as good as they look. A dedicated AI camera amplifies RightSight auto-framing and delivers insights about room usage directly to the Logitech Sync dashboard. Upgrade your video collaboration with Rally Bar.

## SIMPLE TO SET UP

### USB Plug and Play

Easily connects to virtually any PC or Mac®, with no additional software required

### Appliance Mode

Built-in compute allows you to run supported video conferencing applications such as Zoom directly on the device

### All-in-One Design

Sleek, minimal footprint expedites setup and reduces clutter

### Streamlined, Flexible Installs

Confidently deploy at scale with smart cable management and multiple mounting options

## SIMPLE TO USE

### RightSense Technologies

#### RightSight

Detects meeting participants, automatically moves the lens, and adjusts the zoom so no one is left out of the picture

#### RightLight

Intelligently adjusts video settings in all light conditions so everyone always looks their best

#### RightSound

AI-driven voice leveling and unwanted noise suppression deliver outstanding clarity

#### One-Touch Join

Optionally deploy with Tap to quickly and easily initiate meetings across Zoom, Microsoft Teams, and other cloud services

## SIMPLE TO MANAGE

### Logitech Sync

Single platform to monitor room health and keep devices up to date, plus insights on room usage

### Deploy Updates at Scale

Easily propagate upgrades and bug fixes to Rally Bar and your other supported Logitech devices

### Forward-Looking Architecture

Sync API is a robust foundation for new insights and integrations

### Partner Dashboard Support

Fully integrated with partner solutions like Microsoft, Zoom, and others for a simplified device management experience

## ACCESSORIES

**TV Mount for Video Bars**  
Securely mount Rally Bar to a TV or monitor

**Wall Mount for Video Bars**  
Neatly and confidently secure Rally Bar on the wall with minimal footprint

**Rally Mic Pod in Graphite**  
Expand audio coverage and provide convenient access to mute controls

**Rally Mic Pod in White**  
Expand audio coverage and provide convenient access to mute controls

**Rally Mic Pod Extension Cable**  
Easily connect mic pods to Rally Bar with 10m extension

**Rally Mic Pod Mount in Graphite and White**  
Hide cables and anchor mics on the table or ceiling for a clean, finished look

**Logitech Tap Controller**  
Deploy with Tap for easy one-touch to join

**Rally Mic Pod Hub**  
Customize microphone placement for your conference table configuration
